PESTO FOR OUR PASTA!

(and other suggested uses)

Nuovo's hand-crafted Pesto Sauce is prepared according to Italy's centuries-old tradition. We source the most fragrant sweet basil available and then use whole pignoli nuts and fine imported cheese for an authentic taste.

Pesto is a gorgeous emerald-green sauce that consists of fresh basil, aged cheeses, and a touch of garlic. Basil Pesto is a magical sauce that can heal body and soul with its deliciously healthy ingredients, vibrant flavors and enticing aromas.
